Volume #1 Issue

Chaplain's Corner

1 Corinthians 10:31 says "Whatever you do, do it all for the glory of God". What God is saying is when you wake up, you have a reason to live because you can serve him. What I want to challenge the school is this: How can we serve God in what we like to do? How can we find our reason to live in glorifying God? That's what he's saying for us to do no matter what it is, whether it's playing sports, eating, taking classes, or even our future dreams. How can we glorify God in that? That can be our reason to live. I want each and every one of the students to think about that when they are going throughout their everyday lives.

-Pastor Ben

FundScrip Fundraiser

Dear parents and school community,

We are launching a schoolwide fundraiser through FundScrip to help support the music program and the high school mission trip to Belize.

FundScrip is a Canada-wide fundraising program that allows you to pay for your everyday shopping (i.e., groceries, gas, gifts and household items) with gift cards bought from FundScrip. A percentage of the cards purchased is then donated to FVAA. Basically, you can support our school just by paying for your everyday needs! FundScrip gift cards are sold at face value so if you buy a gift card for \$25, your chosen retailer will accept it like \$25 cash! On top of everyday shopping, these gift cards are great to use for Christmas presents, Valentine's dinner, and birthday gifts. You're not losing any money when you support us

through Fundscrip. Retailer stores include Tim Hortons, Winners, Safeway, Esso, Boston Pizza, and many more!

Payments can be made with cheque, cash, or online through Adventist School Pay at www.adventistschoolpay.org for your convenience. Thank you so much for your support!

Fearless of Failure

This quarter, our sub theme is "Fearless of *Failure*." Don't take this the wrong way and not study for your tests, but think about how this could apply to life outside of school. Try new things and be confident in what you do. Take risks, and if you don't succeed, don't feel discouraged.

In Jeremiah 8:4, Jeremiah say this to the people of Judah: This is what the Lord says: You know if a man falls down, he gets up again. And if a man goes the wrong way, he turns around and comes back.

Upcoming Casual Loonie Days

-December 21

-January 18

Fraser Royals Update:

All teams participating in the junior volleyball tournament have been diligently learning the fundamentals and improving their skills through practices, in preparation for the tournament in February. Aside from volleyball, both boy's basketball teams and the jr. girls' team have shown hard work and dedication during their games. The senior and junior boy's teams took the dub against Meadow Ridge in intense matches. Then on December

10, all the teams played games. The jr. girls lost a tight match against VCS, the sr. boys dropped their game against RCA, and the jr. boys finished off their game strong against RCA! We are looking forward to the rest of the games coming up in 2019!

Men's Haircuts

Pastor Ben is giving haircuts to the boys. If you are looking for a fresh line up for **only \$10**, go to his office to set up an appointment.

All proceeds will go to the 2019 Belize mission trip.

Would you rather go somewhere cold or warm for Christmas?

Riddles & Jokes

- 1- What do you have in December that you don't have in any other month?
- 2- Who is never hungry during Christmas?
- 3- What do snowmen eat for breakfast?

Knock, Knock
Who's there
Holly
Holly who?
Holly-days are here again!

Middle School Field Trips (Science World)

The Middle School students had a Science World field trip on November 21, 2018. The students got to see the Pixar exhibit. There are lots of exhibits. These are the human body exhibit, animation exhibit and the animals exhibit. Students discovered a wide diversity of animal builders and compared them to human engineers. Last, they got to watch a movie at the Imax theatre.

STUDENT WORK

The grade 6 class was learning a little bit about the periodic table. This is one of the posters that they did about gold.

Grade 2-3 students did a great job with their quilted line design.

Northern Classic:
“We say we blue!
We say let’s do this!
We say...”
In the end of November at chilly, snowy Burman University, both senior volleyball teams competed in the annual Northern Classic tournament. The weekend was filled with opportunities to meet fellow Adventist players and Fraser alumni and touching talks and uplifting praise at worships. After playing many tiring, but fun games, the boys finished off their season strong with getting third place and the girls earned their silver medal after persevering through a hyped game against PAA. Overall, the volleyball

season for both teams was great and we’re so proud of all the players.

- Riddles answers**
- 1- The letter “D”
 - 2- A turkey because they’re always stuffed.
 - 3- Snowflakes

Week of Prayer
The speaker for the Week of Prayer was Elizabeth Pule. On day one of Week of Prayer, the story was found in Mark 2:1-12. This is the story of how Jesus forgives and heals a paralyzed man. Day two was about Joseph’s story and his kids named Manasseh and Ephraim. Manasseh means “causing to forgive” in Hebrew and Ephraim means “fruitful” in Hebrew. Day four was about Samuel’s story when God was calling him, but he didn’t know God at that time. The story is found in 1 Samuel 3. Day five’s topic was found in Luke 17:11-19 where Jesus heals ten men with leprosy.

- Monday - Jesus’ Power is GREATER than your Fears
- Tuesday - Praise is LOUDER than your Fears
- Wednesday - Prayer DEFEATS your Fears
- Thursday - Peace ENDS your Fears
- Friday - Your purpose in JESUS CRUSHES your Fears

Christmas is Coming! Christmas concert

Come join FVAA for our annual free K-12 Christmas concert! “Journey to the Baby King” is an immersive musical experience told from different perspectives on the traditional Christmas story. Performances will include strings, choir, band, ensemble, sign language and more! Don’t miss this uplifting and musical encounter with the baby king on December 20 at 7 pm at Church in the Valley! Doors will open at 6:30 pm and refreshments will be served during intermission.

Christmas Party

On Friday, December 21, every class will be having their annual Christmas parties. Get excited to eat delicious food and to open the gifts from your secret Santa!

Christmas Break

December 22, 2018 - January 6, 2019
Hooray! Finally the best part of the year has come! Take a long good break for two weeks and come back fresh on January 7!

-Jinwon

SPIRIT DAY (ANIMAL-DAY) K-8

Animal day, which was on November 30th, was a very exotic day where kids and teachers could dress up as any animal they liked. Some students were wearing onesies while other students wore furry headbands with cool animal face paints that screamed stay away. The funky elementary school zoo came down to Week of Prayer with Pastor Liz during worship. All kinds of animals were singing together and praising God with a powerful roar. After the pastor gave her very inspiring

speech, the goofy animals left the chapel with very inspired hearts.

[Exam Week: January 21-25]

Throwback Thursday 9-12

On December 6, all of high school was invited to wear clothes that they wore when they were younger. That day brought back many memories of how carefree we all were when we were younger and that we didn’t care what we wore back in those days. The best-dressed throwback contenders are shown below.

- Hyemin

Parent/Teacher Meetings

Each year we have parent’s meetings with teachers to talk about what students are doing in class. We call these parent/teacher meetings. We had to leave school early because the parent/teacher meetings went from 2:00 p.m. to 8:00 p.m. Students from K-12 received a form to book in a spot to have their parents meet their teachers, whether it be their homeroom teacher, English teacher, math teacher, or science teacher. Teachers showed the best assignments, tests, or projects to the parents, so they could see how hard students worked over the school year. If parents did not have the time to do the parent/teacher meetings, they can call the office to book an appointment another time.

-James

Chapel

On December 6th the whole high school went down to the cafeteria to listen to our speaker for the chapel, Alexis McGill. She shared her amazing life story with us and went into detail about the hardships that she went through in university. The anxiety and depression she faced trying to tackle her studies was too much for her to the point where she got disconnected from God, which led her down a dark path. She ended by sharing how staying connected to God can solve all your problems, and how we should never lose sight of Him even when life hits us hard.

-Armaan

Pizza Hot Lunch - January 11 & 25

Elementary Field Trips and Activities

It was a dark and stormy day.... Not quite what we had anticipated for the Grade 4 outdoor field trip to the Surrey Nature Center. Despite all the rain, we tried to make the most of it. Our guide, Miriam, walked us through parts of the forest explaining many components of an ecosystem. We learned how important the biotic (living) and abiotic (non-living) things are in an ecosystem as well as the role of the producers, consumers and decomposers. In groups we made our own small habitat for an animal and were given "props" to add to our habitat (the beaver group was given a piece of wood chewed by a beaver). It was a very interesting experience and would recommend anyone to go check it out....in the sun!

-Mrs. Berthelot

During worship on November 30th the Grade 4 class read a story about a group of children who made paper rock weights and sold them to raise money for the homeless. The student’s hearts were touched and they wanted to do something too. They painted and decorated rocks into paperweights and sold them to their family and friends. They raised \$357.10. They sent the money to a charity that will make meals for the homeless and they were able to feed 108 people.

Boss’s Comic of the Month

On December 4, the Grade 2 and 3 class went to the Alder Acre Christmas Tree Farm. They learned the cycle of a Christmas tree, played with the farm animals, and sat around a campfire drinking hot chocolate.

All School Assembly

On Monday, December 17, the whole school gathered for an assembly in the gym. We sang Christmas carols and enjoyed a monologue by Pastor Dauncey about the importance of receiving instead of giving this Christmas season. Abby Hansen sang a beautiful rendition of “Where Are You Christmas?” to finish off the assembly.
