## "April Showers Bring Newspaper Towers"

### Athletic Updates

For the past month our badminton team has been practicing every week and so far the statistics for the games are 1 win and 5 losses.

The senior football team has been practicing since before spring break. In total they played 5 exhibition games, winning 3 and losing 2. Tomorrow the sr. football tournament will begin. We wish good luck to all athletes and may we always remember that no matter the result, we should always exalt God's name.

### HS Service Day

On Monday, April 15, the high school students had a day full of serving others. The choir and band students helped out with Church in the Valley's outreach program by serving food, handing out clothes and food, and performing music for the community. They also performed and did yard work at local residential care centres. The students who aren't in choir or band went to Camp Hope to clean up the campgrounds.

### School Work

The grade 6 class worked on some art work they did to show some appreciation to the First Nations. The grade 6 students did an amazing job. "I really enjoyed this project. It was fun learning about the First Nation's history and art"- said Russell.

By: Uno

### Green Day

"We wear green because it's hope. It's renewal. It's for the Broncos and for organ donation."

It was the first anniversary of the Humboldt Broncos tragedy over the weekend. The issue of the organ donation was also put in the spotlight. One of the hockey players, Logan Boulet, who died in the Saskatchewan bus crash year ago, decided to donate his organs a week before the accident. He saved 6 lives by donating his organs. What soon has followed has been called the Logan Boulet Effect. Canadian Blood Services estimates that within two months of Boulet's death, more than 150,000 people registered to become organ donors. On April 8th, every student in FVAA dressed up in green clothes or jerseys to remember and to show respect to the Broncos hockey team and to remind us how we can also change so many people's lives by donating our organs. By: Jinwon

### International Day

On April 17th, grade 6 to 12 had an international day. We had the opportunity to dress in our (or other)

culture's clothing. Those who brought a traditional dish got to indulge in an international foods potluck. It was a day full of fun and learning about countries from around the world.

### Riddles

1. I have keys, but no locks and space, and no rooms. You can enter, but you can't go outside. What am I?
2. This belongs to you, but everyone else uses it. What is it?
3. What is seen in the middle of March and April that can't be seen at the beginning or end of either month?

### Jokes

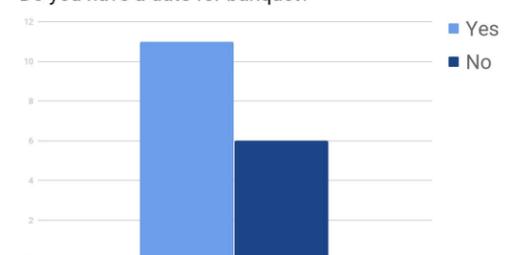

#### Why did Ms. Bay need a ladder?

To reach the high notes.

**Teacher:** You *missed* school yesterday, didn't you?

**Student:** Not really.

Do you have a date for banquet?

### Trivia

1. Where is a shrimp's heart?
2. What is Los Angeles' full name?
3. What creature has no heart, brain, or bones?
4. What was the first food eaten in space?
5. On what planet does it rain metal?

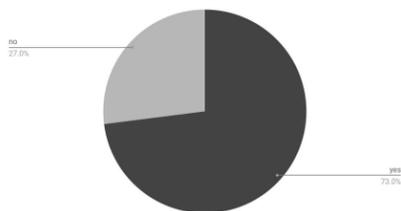

### Chaplain's Corner

“So it’s April now and that means that Easter is right around the corner. That big weekend celebration of the month. When I think of Easter, it reminds me of something when I am preaching. One of my friends named Andrew is a pastor in Ontario. His grandfather told me to never preach a bloodless sermon. I had wondered what that meant. He told me that you should never preach a sermon where you don’t mention that Jesus died for you. That’s the whole purpose of when you spread the word of God. You mention that he died for you. By that, when I think of Easter, it reminds me of my purpose, which is pastoring. Helping people know that we have a God who died for them and a God who thought we were important to die for. When I think of Easter, I think of purpose. I don’t believe we could find our purpose in life without God dying for us.”

Spoken By: Pastor Ben

Are you buying the yearbook?

### Q and A

**Q: What was your favourite part of Easter?**

“Having no school”

(Jun) grade 5

“When the adults hide the eggs and we have to find them”

(Joseph) grade 8

“When I get to see my family and spend time with them”

(Ariel) grade 7

“Having no school”

(Kelly) grade 6

“The Easter hunt”

(Amelie) grade 2

“Staying home”

(Kacie) grade 7

“The Easter egg hunt”

(Danny) grade 2 & (Micah) grade 1

### Elementary Events:

#### Earth Day

Earth Day is celebrated on April 22, 2019. Earth day is celebrated worldwide, and held to demonstrate support for environmental protection. On April 18, 2019 the elementary had an Earth day, and they were dressed in blue and green. The kids got to make a poster about “4 ways of safety” and they talked about: reduce, reuse and recycle.

By: Alexa

#### Chapel

The first chapel of this month was on April 4 and the grade 12’s led the music in worship. The speaker for this chapel was Pastor Ben, and he spoke about your personal relationship with Jesus, and how you need to know Him so that people can’t lie to you because you’ll know the truth. The next chapel was supposed to be on April 18th but instead Jerry Parron came and spoke to us about Walla Walla University. He said if you want to come and visit the campus they would pay for half the gas for your trip down there and would pay for your hotel. The final chapel was on April 25th, and the grade 11s led the music. The speaker was Mrs. Melnychenko, and she spoke about how she used to degrade her sister constantly to lift herself up, and she really regrets it. It was a very emotional talk.

### Middle School:

#### Earth Day

Earth Day is an annual event celebrated on April 22. Worldwide, various events are held to demonstrate support for environmental protection. Grade 6 students have made a project for earth day and they celebrated it last April 18. They made a project to showcase their support for the Earth’s environmental protection. They did a good work on representing it.

### Assembly

Assembly was on April 11th, and we had the people from the Belize mission trip speak. They shared photos of the things they did and each one of them shared stories about their trip. They talked about their working experiences, the food down there, the place they stayed, the people down there, and the activities they did. They all seemed very optimistic about it, and everyone seemed to enjoy it!

Written By: Elias

### School Work

The grade 6 had a project and they worked on mindfulness and how they’ve bloomed this year. They had to write some growth they had this year. “It was fun to see the growth I had this year.”- Jae-lyn.

### Riddles answers

1. Keyboard.
2. Your name.
3. The letter R.

### School work

The kindergartens planted some scarlet runner beans. It's so the students get to know how plants grow and what they need to grow. The students enjoyed seeing the plants come to life, and seeing their hard work come to life. I can't wait to see what they will look like when they grow.

### Trivia Answers

1. Its head
  2. El Pueblo de Nuestra Señora la Reina de los Ángeles del Río Porciúncula
  3. Jellyfish
  4. Applesauce
  5. Venus
- 

### Fearless to Worship

Fearless to worship: we should worship and praise God before we go to sleep and after we wake up in the morning. It is good to start the day with a worship because God blesses those who worship him and he will guide and protect those who call upon his name. We should learn to worship God while we are still able to, because the day will come that we are prohibited to worship God. We also need to be fearless to worship God in public and not be ashamed.

### HS Banquet

On Sunday! April 28, 2019 high school had a special spring banquet. This is the best part of the year for students. Our spring banquet theme was “A Starry Night” and it was located at Newlands golf & country club in Langley. Our host was Sean Hegstad and we played fun games like guess the text and bachelorette. We had a variety of salads and delicious vegetarian pastas for dinner which followed with a beautiful display of desserts that included many different cakes and fruit. Also, we presented gift cards to the singers, the best couple, and the best dressed. The venue was much bigger than we thought and there was nice scenery outside to take pictures. We had an instant printing photo booth which came with props and that was also another fun part of the night! Thank you to the Student Association for making this night happen.

### Mission Trip 2019

“Hey Guys!” This past spring break, 19 students and 4 sponsors journeyed down to Belize in Central America for 10 days to serve the community there and demonstrate the love of God through volunteer work. During our trip, we focused on sharing our stories and words of wisdom on the broadcast Faith FM, spreading happiness and love to the local children by running a VBS program, and working on building another classroom for the growing Billy White SDA School. We worked alongside students from Parkview Adventist Academy and local men who worked at the site. We demonstrated teamwork and built up our muscles by passing down numerous 30 pound cinder blocks and even heavier bags of dry cement down human chains. We laboured diligently clearing out stubborn rocks and painting the school’s walls with vibrant shades of aqua. Together with around 75 energetic elementary students we sang songs like This is the Day in Spanish, performed plays about the woman who was healed through her faith after touching Jesus’ robe and the power of Jesus when He said the words “Be Still!”, and did crafts to reminds the kids about the lessons we instilled in their hearts. During the evening we participated in Faith FM, the Adventist broadcast that reaches people all over Central America. The first evening we touched on the topic of our devotional lives and our individual relationships with God. We also shared heartfelt tears, and showed our vulnerability through speaking up about our fears. The last night we discussed what Adventism meant to us personally and although we came from different cultures and possess our own perspectives on religion, we all agreed that the focus of our faith is the love we all have for God. Lastly, to leave our mark, we painted a mural with our handprints and drew unforgettable events that we treasured. Overall, all of us student missionaries were given the opportunity to serve others while they served us.

21 Again Jesus said, “Peace be with you! As the Father has sent me, I am sending you.”
