Chaplain's Corner

"For the upcoming chapels, I keep getting convicted of things to share with the school. I just want to share about life because I just met everyone and I want to talk about my life and my experiences and how God has taught me how to be fearless in him. I want to share that God wants all of us to be fearless in our own way. God has shown and taught me how to be a fearless person." -Pastor Ben

"The disciples went and woke him, saying, 'Lord, save us! We're going to drown.' He replied, 'You of little faith, why are you so afraid?' Then he got up and rebuked the winds and waves, and it was completely calm."

Choir at SFSDAC

On Saturday, Nov. 3, the senior choir praised God through music at Surrey Filipino Seventh-day Adventist Church.

The first song sang was entitled "Kuimba" and is an African song about coming and singing with a joyful heart.

The second is called "Hush" and is a piece that invites the listeners to listen for God's still, small voice. Aside from the performance, choir also led out in praise, Pastor Ben shared his funny experience about his shorts during children's story, Nicole did scripture reading, and some choir/band members performed with their instruments. After we were blessed with a delicious potluck and the smiling faces of appreciative individuals.

Be Fearless

Now that we're finished our first quarter of school, we're welcoming in the next sub theme: Fearless or Failure! During this quarter we want to emphasize that it's okay to fail and mess up. Every mistake we make can be learned from and through it we are to grow as individuals. Let's not give up when we fail, but instead keep persevering!

Funscrip Fundraiser

Dear parents and school community,

We are launching a schoolwide fundraiser through FundScrip to help support the music program and the high school mission trip to Belize.

FundScrip is a Canada-wide fundraising program that allows you to pay your everyday shopping (i.e., groceries, gas, gifts and household items) with gift cards bought from FundScrip. A percentage of the cards purchased is then donated to FVAA. Basically, you can support our school just by paying for your everyday needs! FundScrip gift cards are sold at face value so if you buy a gift card for \$25, your chosen retailer will accept it like \$25 cash! On top of every day shopping, these gift cards are great to use for Christmas presents, Valentine's dinner, and birthday gifts. You're not losing any money when you support us through FundsScrip. Retailer stores include Tim Hortons, Winners, Safeway, Esso, Boston Pizza, and many more!

Payments can be made with cheque, cash, or online through

Adventist School Pay at
www.adventistschoolpay.org for your

convenience. Order forms will be available on the school website soon!

Thank you so much for your support!

Chapel and Road Cleanup

“Hey look, a dead bird. What should I do with it?” It’s that time of the month again to help the earth’s environment, picking up garbage and finding some interesting things! This month’s road cleanup was the grade 10’s and 12’s doing the job on October 18, 2018. Nothing out of the ordinary showed up while cleaning up. It was just garbage and more garbage. What was interesting was that on the way back to the school, someone found a dead bird on the ground and just looked at it. Another one just picked up the bird and showed the corpse to Pastor Ben. They asked what to do with it and threw it away after.

Every Thursday we do our high school chapel. On October 25, the grade 10 class was doing our praise songs. After the songs, the grade 10 pastor had people from other classes get in groups and do popcorn prayer. On the first day of November, it was the grade 9 class hosting the high school chapel. What was very interesting about the grade 9's activity is that they had a panel and Pastor Ben as the host. They talked about their dreams and what was preventing them from pursuing those dreams. After the panel, the grade 9 pastor called to do a prayer circle but the groups this time were by class and not picked randomly. - **James Bautista**

Fall Fest

Fall fest; an iconic family event at FVAA. It puts the fun in fundraiser. It gives students and teachers an opportunity to raise money for their classes while simultaneously enjoying the festive spirit. The bouncy castle, pillow fight and marriage booth are always big hits. Some other popular booths include the gr. 10's milkshakes, the yearbook class's donuts and the tantalizing taste of Filipino food. Even some students that have left the school attended. Fall fest is an annual event, but the hype never seems to die down,

as it remains to be one of the most popular functions at FVAA. -Emma

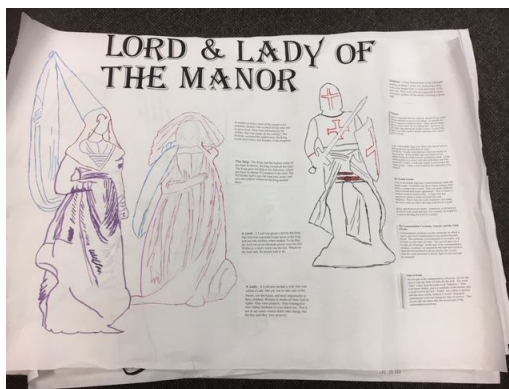

MIDDLE SCHOOL EVENTS

Book Character Day

The Middle School did a Book Character Day on October 26.

Book character day is when the middle school students dress up like their favourite character in the book that they picked. They had to create a model about their book and memory boxes and explain it and show it to the class.

This is one of the models they created from the book.

November 1 - The Middle School had swimming and played lots of water games.

“Yukon Dan” - November 7, 2018

Yukon Dan came in and presented and shared with the grade 4-6 students that he's famous for gold panning, which is like dipping the pan in the river and finding gold. Gold is a chemical element. Then he taught the students how to gold pan. He also shared several minerals that you may find with gold. Then the students had the opportunity to actually gold pan, and they all found gold. They also looked at other minerals.

Assembly

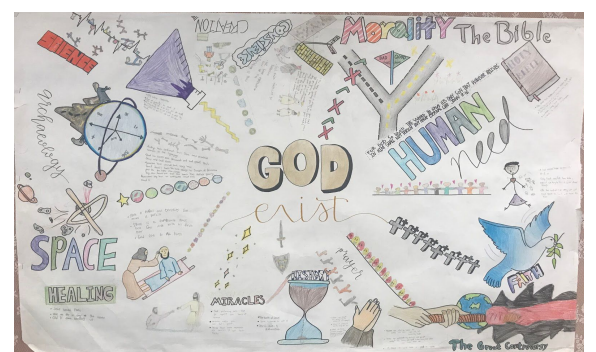

We remembered an important day on November 8. Assembly started off with everyone taking a moment of silence to remember all the soldiers who sacrificed their lives so we can live a better life. After we finished singing the national anthem, Jolly, the speaker for the assembly, started sharing her life story with us. Her struggles of how she went through life were very heartbreaking, but with the help of God she got through her tough times. Heading toward the end of the assembly, Jolly shared her personal song with all of us, which was beautifully sung. The praise team ended the assembly off by singing *How He Loves* and we all left remembering how grateful we are to be on earth, all thanks to God.

Student Work

Grade 9 Bible Class made a mind map to show all the ways that GOD exists. They all participated and helped make the mindmap in some way.

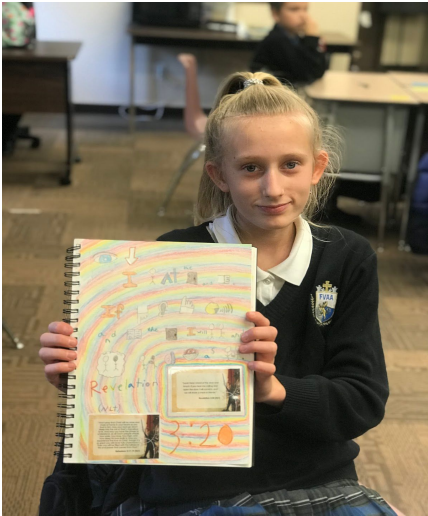

High school art class made creative colour wheels in many different ways.

Stephanie Castillo (grade 8) did a great job on her book report project.

Tanya Hill (Grade 7) shows her creativity by creating a journal entry.

Week of Prayer Speaker

Pastor Elizabeth Pule is has always been a scaredy-cat. When God called her to be a pastor 15 years ago, she was so afraid to step out in faith and start a new adventure. Pr Liz’s mind was filled with fear and anxiety about the future. She had fears about school, friends, family, work and her relationship with God. But God has shown Himself to be so trustworthy! Time and time again God has taken

Pastor Liz’s fears and replaced them with peace. He has led her from a career in marketing to being a school chaplain and church pastor. God blessed Pr Liz with a super cool family too: 1 amazing husband and 3 energetic boys. She is currently serving as co-director (along with her pastor husband) for Family Life, Singles, Men’s & Women’s Ministry for the Ontario Conference of the Seventh-day Adventist Church. It is her goal to connect with the students about their fears and how God is the only One who can get rid of them and replace them with PRAISE, POWER, PEACE, PRAYER and PURPOSE.
