CHAPLAINS CORNER

In my devotional, I came across a guy telling a story that I want to share with all of you because I think it is very applicable especially for an Adventist school like FVAA.

1 John 4:20 says, "If anyone says I love God and hates a fellow believer, he is a liar; for if we don't love people who we can see, how can we love God, whom we cannot see?" I think it's common in our culture for Christians to say, "We love God all the time." We all sing that song that goes "Jesus loves me this I know", but yet as a people thing, we find it very easy to hate people, treat them poorly, pick on them, or not stand up for anybody. I think this verse is telling us that if we treat people poorly and do horrible things to them, then we can't say that we love God. If we love God, we love people. For us to prove that we love God, we should love our neighbours.

-Megan

Monthly Poll

Would you rather your crush ask your best friend or worst enemy to be their valentine?

Did you have New Year's resolutions?

STUDENT WORK

The grade 6 students have been working on this Remembrance Day project and they did an amazing job. Remembrance Day happened on November 11, 2018, and this was their way of showing respect towards the soldiers who bravely fought in the war. "This is our project and it shows how we remember the horror of war and to embrace peace," say Russell and Kelly.

Riddles and Jokes

- 1- What did the squirrel say to his valentine?
- 2- Which one of Santa's reindeer can be seen on Valentines day?
- 3- What fastens two people yet touches only one?

Knock knock

Who's there?

Egg!

Egg who

Egg-cited to be your valentine!

ELEMENTARY EVENTS

Fire Department

- On January 17, 2019, the kindergarten class learned about fire safety. They got to go on the fire trucks and see the firemen wearing their gear, practice fire safety and learn how to prevent a fire.

PJ/Teddy Bear Day

- On January 29, 2019, the elementary students had a teddy bear and PJ day. The students dressed up in pajamas, and they brought their own teddy bears. The fourth grade had hot chocolate and watched *The Magic School Bus*.

- Alexa and Abigail

High School Spirit Days

On January 11th, the high school students had a Christmas sweater day. We chose January 11 to make up for not having school the day before Christmas break. We were supposed to wear clothes that had Christmas colours or designs on them, but lots of high school students were dressed up like it was a casual dress down day. From now on, we should not misuse our privilege and participate better.

On February 1st, the high school students were dressed up like they just woke up, wearing cozy socks, fluffy fleeces and soft pajama pants. All of the high school students participated very well. They also had a delicious breakfast of pancakes and stripples made by the S.A. members.

-Jinwon

Junior High Events: Skiing and Skating

On January 8, the junior high went to Mt. Seymour. They went skiing, snowboarding, and tubing. It was a fun and exciting time for them. They had the opportunity to have an amazing time with friends. Though most students didn't have experience in skiing and snowboarding, they enjoyed learning new skills and they can not wait for next year's trip.

On January 29, the junior high went skating. They went to Twin Rinks in Langley. Some were new at it but they had a very fun and exciting time. They had the opportunity to connect with each other while having a great time. I asked a few students and they told me that they would love to go back and can't wait for the next skating event.

-Uno and Elias

STUDENT WORK

-The grade 6 class with Mrs. Belonio. "We did this project to showcase our different perspectives. These drawings show the disappearing roads and the distance of it," says Faith. They showcased art and what they would see at a distance. They had a lot of fun making this and did an amazing job.

FEARLESS

What is being fearless?

When we search the definition of "fearless" we see the word "lacking fear". When we search the synonyms some of the words are "bold, brave, courageous". But is this what fearless really means or can we think of being fearless in another way?

Try to think that being fearless is not the lack of fear, but the judgment that something is more important than fear. We are boats that sail in the deep waters of the ocean and in order to survive we need to find our safe harbor. Throughout this semester and the rest of your life, let God be your harbor.

"If God is for us, who is against us?"
Romans 8:31

FEAR NOT! GOD IS WITH YOU!

-Isadora

Riddles Answers

- 1- I'm nuts about you!
- 2- Cupid
- 3- A wedding ring

Exam Week and Second Semester Starting

It was time for the first semester to wrap up and exam week was here. All the high school students studying was put to the test. It was a very stressful week for many, but everyone got through and had a nice rest on the long weekend of that week. After the long

weekend, the second semester started. For some high school students the workload is significantly less than the work in the first semester, but for others, it has increased.

Thursday Events

On Thursday, January 10, the grade 12 class went out in the cold to clean up our street. This is the first date where there was only one class cleaning up. "The school kinda decided just to have grade 12 students clean up." Amoah says, "It was originally a senior project, so the administration is wanting to keep it like that."

On the last Thursday of January, there was an all-school assembly to talk about mission work. Pastor Ben shared a personal experience about a time he traveled to Africa for a mission trip. He had to get very uncomfortable in some situations, but he did it for the Lord. The school ended the assembly with the mission trip team in the middle of the gym and all the students around them. Then Pastor Walter, from Church in The Valley, had a prayer over the students for protection and guidance.

On the first Thursday of February, a praise group from choir led out in worship. Then Pastor Luc Sabot, from Abbotsford Church, talked to the school about confronting and conquering one's fears.

-Nathan

Announcements

This coming weekend Feb. 8-10, our school is having a volleyball tournament at Burnaby Mountain Secondary. FVAA students from grades 7 to 10 will be participating in the tournament. All FVAA students who are participating will be divided into six teams according to their age and talent.

Next week, Feb. 14, is Valentine's Day and we are having a Seniors' Valentines' Brunch where students will perform in front of the senior citizens. Also, K-8 students have a red/pink dress up day and students can buy candy grams put on by the grade twelves.

Feb. 18 is Family Day and there is no school. There's also a pink shirt day on Feb 27. On Feb 21-24, Grade 12 students will be going to Burman University. The seniors will go to check out the campus, especially for those who are planning to go to Burman after high school. There's also

a Walla Walla University day happening on March 6-10.

On Feb. 28 high school is having a Snowball. High school students will go skating and watch movies after school. We are also having a spring break and our school mission trip on March 17-29.

(Owen) Gr.3
“To have neat handwriting.”
(Anonymous) Gr.4
“To read the whole New Testament this 2019.”
(Sophie) Gr.5
“To study and ace all of my tests.”
(Genesis) Gr.6
”Finally finish my Minecraft map.”
(Veronika) Gr.7
”To be less annoying and loud.”
(Pavit) Gr.8
”To sleep the appropriate amount every night.”
(Justin) Gr.8
”To train hard to win the 100-m sprint in track & field by running twice a week.”
(Isadora) Gr.9
”To be more healthy and to work out at least 3 times a week (except on the Sabbath)”
(Anonymous) Gr.10
“Get good grades in general and be happy.”
(Sahaj) Gr.11
“To actually stop eating gluten.”
(Anonymous) Gr.12

SCHOOL WORK

The Grade 8 science class with Mrs. McKay did a project on “supersaturated solution”. They made a candy rock out of this solution. Rock candy or sugar candy is a type of confection composed of relatively large sugar crystals. Crystals form in 6-7 days.

“I tasted our project and it tasted really sweet. It is like eating normal sugar,” says Shemer. Most of the grade 8 students have tasted it but some of them wanted to see what would happen if they let it stay a little longer.
-Ella and Hyemin

FundScrip Fundraiser

Dear parents and school community,

We are launching a schoolwide fundraiser through FundScrip to help support the music program and the high school mission trip to Belize.

FundScrip is a Canada-wide fundraising program that allows you to pay for your everyday shopping (i.e., groceries, gas, gifts and household items) with gift cards bought from FundScrip. A percentage of the cards purchased is then donated to FVAA. Basically, you can support our school just by paying for your everyday needs! FundScrip gift cards are sold at face value so if you buy a gift card for \$25, your chosen retailer will accept it like \$25 cash! On top of everyday shopping, these gift cards are great to use for Christmas presents, Valentine’s dinner, and birthday gifts. You’re not losing any money when you support us.

Athletic Updates

This month, the boys basketball team had eight games. The senior team had five games and juniors had three games. The senior boys played against these teams: Ecole Gabrielle-Roy (EGR), Southpointe Academy (SPA), Khalsa Secondary School (KSS), British Columbia Christian Academy (BCCA), and ESS, The senior boys won against BCAA, and ESS but lost to the other teams. Junior boys played against St. John’s School (SJS), Khalsa, and Southpointe, and the junior boys

have won all of their games this month and will be going to the finals. The girls basketball team had four games this month against SJS, KSS, Maple Ridge Christian School (MRCS), and SPA. The team lost to most of the teams but won against SJS. There will be more games in February coming soon.
